VALVE SUMMIT

28TH – 30TH APRIL 2012

Dear colleagues,

the Course is intended as an educational course whose program is planned to provide the best available clinically relevant information on current and future directions in valve heart disease.

Furthermore, a meaningful overview of the main topics of structural heart disease will be developed. So, at the conference site, there will be extensive live cases demonstrations as well as lectures covering all the major topics and we expect to have lively discussions during sessions.

The Course will pursue three main themes:

Education: This two-day interactive program, with the world's experts in cardiac surgery and interventional cardiology, offers a general approach and evidence-based strategies to manage the surgical and interventional challenges in structural heart disease.

Training: the Course will include

- a “hands on” training echo course encompassing the theoretical background and practical applications concentrating on echo image acquisition and interpretation. Class size is limited to ensure an ideal learning environment.
- simulation-based training session to provide a comprehensive learning opportunity that allows the clinician to safely learn, practice, and repeat the procedures until proficiency is achieved.

Debate: to give opportunity to appreciate different practical approaches and diverse opinions, encouraging interactive dialogues for lively discussions with the panel at any time throughout the live cases and after each lecture.

Welcome to Acireale!

On behalf of Course Directors

Corrado Tamburino

VALVE SUMMIT

28TH - 30TH APRIL 2012

SCIENTIFIC PROGRAM

SATURDAY, 28TH APRIL

HEART VALVE DISEASE: WHICH PATIENTS FOR SURGERY OR FOR PERCUTANEOUS APPROACH?

Chairmen: O. Alfieri - T. Feldman

Panelists: C. Mignosa - A.S. Petronio - G.P. Ussia

- 15:00 – 15:15 Valves anatomy for the interventionalists
C. Basso
- 15:15 – 15:30 Current indication for percutaneous mitral valve repair
T. Feldman
- 15:30 – 15:45 Current indications for TAVI
H. Eltchaninoff
- 15:45 – 16:00 What surgery can offer to patients with aortic stenosis
C. Mignosa
- 16:00 – 16:15 What surgery can offer to patients with mitral regurgitation
A.M. Calafiore
- 16:15 – 16:30 Discussion
- 16:30 – 17:00 **Coffee break**
- 17:00 – 17:20 **FOCUS**
Addressing the “Cohort D”: which therapy for patients at low risk for both TAVI and surgery? My crystal ball
C. Tamburino

VALVE SUMMIT

28TH - 30TH APRIL 2012

SATURDAY, 28th APRIL 

**STRUCTURAL INTERVENTIONAL CARDIOLOGY:
NOT ONLY MITRAL AND AORTA**

Chairmen: A.M. Calafiore - G.P. Ussia

Panelists: F. Maisano - G. Santoro

- 17:20 – 17:35 A state of the art on structural heart disease
S. Bailey
- 17:35 – 17:50 Pulmonary and tricuspid: the forgotten valves?
T.S. Momenah
- 17:50 – 18:05 The neverending dilemma of PFOs
U. Pittl
- 18:05 – 18:20 When imaging meets structural intervention
C.J. Schultz
- 18:20 – 18:35 Impact and management of valvular leakages
G.P. Ussia
- 18:35 – 18:50 Discussion

Welcome Dinner

VALVE SUMMIT

28TH - 30TH APRIL 2012

SUNDAY, 29TH APRIL

PERCUTANEOUS HEART VALVE THERAPY: TECHNIQUE, COMPLICATIONS AND TIPS&TRICKS

Chairmen: L. Patanè - A.S. Petronio

Panelists: O. Alfieri - F. Bedogni - M. Buchbinder
A. Colombo - C. Mignosa - I. Sheiban

09:00 – 11:00 **LIVE AND TAPED CASES FROM FERRAROTTO HOSPITAL**

Operators: O. Alfieri - A.M. Calafiore - H. Eltchaninoff
F. Maisano - C. Mignosa - A. Ramondo
C. Tamburino - G.P. Ussia

Echo Team: V. Cammalleri - W. Deste - S. Mangiafico
G. Millan - S. Scandura - M. Scarabelli

Lectures:

A primer on self-expandable CRS TAVI with technical tips&tricks
J.C. Laborde

How to manage TAVI complications
J. Rodes-Cabau

A primer on balloon expandables TAVI with technical tips&tricks
G. Schuler

A primer on clip for mitral valve with technical tips&tricks
O. Franzen

Discussion

11:00 – 11:30 **Coffee break**

VALVE SUMMIT

28TH - 30TH APRIL, 2012

SUNDAY, 29th APRIL

TAVI AND CLIP FOR MITRAL VALVE: PATIENT SELECTION, ADJUNCTIVE THERAPIES

Chairmen: A.M. Calafiore - T. Feldman

Panelists: O. Alfieri - T. Corcos - G. Dangas - A.L. Iacò
S. Marra - C. Mignosa

11:30 – 13:30 **LIVE AND TAPED CASES FROM FERRAROTTO HOSPITAL**

Operators: O. Alfieri - A.M. Calafiore - H. Eltchaninoff
F. Maisano - C. Mignosa - G.P. Ussia
A. Ramondo - C. Tamburino

Echo Team: V. Cammalleri - W. Deste - S. Mangiafico
G. Millan - S. Scandura - M. Scarabelli

Lectures:

Anatomical selection for TAVI

A. La Manna

Anatomical selection for clip for mitral valve

S. Mangiafico

How to deal with large access sites

M. Buchbinder

Adjunctive pharmacotherapy in TAVI

G. Dangas

Conduction disorders in TAVI: which patient for permanent
pace-maker implantation

V. Calvi

Discussion

13:30 – 14:30 **Lunch**

VALUE SUMMIT

28TH - 30TH APRIL 2012

SUNDAY, 29TH APRIL

FUTURE TECHNOLOGIES IN STRUCTURAL HEART DISEASE THERAPY

Chairmen: M. Buchbinder - A.M. Calafiore

Panelists: T. Corcos - E. Grube - S. Klugmann

- 14:30 – 14:40 A glimpse to the future of TAVI devices
E. Grube
- 14:40 – 14:50 A glimpse to the future of percutaneous mitral valve repair
F. Maisano
- 14:50 – 15:00 Novel LAA and PFO devices
H. Sievert
- 15:00 – 15:10 Potential role of new anticoagulant drugs in structural heart valve therapy
P. Capranzano
- 15:10 – 15:20 Low-flow low-gradient AS and pressure recovery: how to manage them
S. Carerj
- 15:20 – 15:30 Discussion

15:30 – 18:30 ECHO AND SIMULATION-BASED SPONSORED COURSES

Social Dinner

VALVE SUMMIT

28TH - 30TH APRIL 2012

MONDAY, 30TH APRIL 

CLINICAL DATA ON STRUCTURAL INTERVENTIONAL CARDIOLOGY

Chairmen: O. Alfieri - C. Di Mario

Panelists: A. Chieffo - O. Franzen - M. Napodano

- 09:00 – 09:15 Lessons from the PARTNER trial
A. Colombo
- 09:15 – 09:30 Insights from European TAVI registries
W. Deste
- 09:30 – 09:45 Observant: the largest multicenter italian as registry
F. Seccareccia
- 09:45 – 10:00 Risk stratification in TAVI: where are we?
S. Bailey
- 10:00 – 10:15 TAVI versus surgical aortic valve replacement in real life
N. Piazza
- 10:15 – 10:30 Lessons from the EVEREST trial
T. Feldman
- 10:30 – 10:45 Clip for mitral valve: european experience
S. Scandura
- 10:45 – 11:00 To close or not to close? Insights the CLOSURE trial
G. Santoro
- 11:00 – 11:30 Discussion
- 11:30 – 12:00 **Coffee break**

VALUE SUMMIT

28TH - 30TH APRIL 2012

MONDAY, 30TH APRIL

OPEN ISSUES IN TAVI

Chairmen: A. Colombo - J. Rodes-Cabau

Panelists: A. Giordano - F. Maisano - N. Piazza

- 12:00 – 12:10 TAVI: not only from transfemoral route
A.S. Petronio
- 12:10 – 12:20 Impact and management of CAD in patients undergoing TAVI
C. Lotan
- 12:20 – 12:30 Mitral regurgitation and aortic stenosis in TAVI era
G.P. Ussia
- 12:30 – 12:40 Paravalvular leakages after TAVI
M. Napodano
- 12:40 – 12:50 TAVI in the degenerated surgical protheses
F. Bedogni
- 12:50 – 13:00 Transapical versus transaortic TAVI. What's better?
S. Klugmann
- 13:00 – 13:10 Discussion
- 13:10 – 13:20 Closing remarks
C. Tamburino

VALVE SUMMIT

28TH - 30TH APRIL 2012

SCIENTIFIC INFORMATION

Crediti formativi ECM (only Italian participants)

I crediti formativi ECM saranno certificati dal Provider OIC srl secondo la nuova regolamentazione approvata dalla Commissione Nazionale per la Formazione Continua il 13 gennaio 2010.

Si ricorda che avranno diritto ai crediti ECM solo coloro che saranno presenti per l'intera durata dell'evento ed avranno compilato l'apposito questionario che verrà consegnato in sede congressuale.

Si ricorda inoltre la determinazione assunta dalla Commissione Nazionale per la Formazione Continua del 18 gennaio 2011 alla luce della quale ogni partecipante potrà maturare 1/3 dei crediti formativi ricondotti al triennio di riferimento (150 totali per il triennio 2012-2015) mediante reclutamento diretto da parte dello sponsor e dovrà consegnare al Provider dell'evento una copia dell'invito o una dichiarazione sottoscritta attestante l'invito, con firma autografa e leggibile unitamente ai propri dati anagrafici (codice fiscale, nome, cognome, libero professionista / dipendente / convenzionato, professione, disciplina, nome sponsor). A tal fine è stata predisposta una scheda riepilogativa nell'ambito del questionario ECM.

L'attestazione dei crediti formativi ottenuti sarà inviata agli iscritti dopo l'evento a seguito della verifica da parte del Provider del raggiungimento del 75% di risposte esatte. A tutti gli iscritti sarà comunque consegnato il consueto attestato di frequenza.

I crediti formativi sono rivolti a medici chirurghi specialisti in anestesia e rianimazione, cardiologia, cardiocirurgia, chirurgia vascolare e radiodiagnostica e a infermieri e tecnici della fisiopatologia cardiocircolatoria e perfusione cardiovascolare.

LANGUAGE

The official language of the congress is English. Simultaneous translation is available.

VALUE SUMMIT

28TH - 30TH APRIL 2012

Slide Centre

The slide centre is situated near the Congress Secretariat. All meeting rooms are equipped only with a computer slide projector. It will be not possible to hook Tablets (IPAD) to the projection system. Speakers are kindly requested to use "Powerpoint" (Windows or MacIntosh/Apple). The dimensions of the Powerpoint presentation should not be larger than 50 MB, video excluded.

The use of Cd-Rom, pens or memory stick is advisable to easily download the presentations, by handing them to the technicians in charge at the Slide Centre. Please remember to collect your CD or memory pen at the Slide Centre at the end of the session.

Speakers with Powerpoint presentation on CD Rom or memory pen: please report to the Slide Centre at least 1 hour before your presentation or the day before if you are scheduled in the morning. Please make sure to have two copies of your presentation (one as back up on your own PC).

Speakers with presentation on their own laptop and/or using MACINTOSH/APPLE: please report to the Slide Centre at least 2 hours before your presentation or the day before, if you are scheduled in the morning. This timing will allow your presentation to be downloaded onto the main computer.

The Slide Centre is available for speakers to deliver their presentation with the following timetable:

Saturday, 28 th April 2012	13.00 - 18.00
Sunday, 29 th April 2012	8.00 - 18.00
Monday, 30 th April 2012	8.00 - 12.00

VALVE SUMMIT

28TH - 30TH APRIL, 2012

GENERAL INFORMATION

ORGANISING SECRETARIAT & PROVIDER (authorization has been required)

O.I.C. Srl

Contact: Sabrina Gataleta

Viale G. Matteotti, 7

50121 Florence, Italy

Telephone: + 39 055 / 50351

For general information: valvesummit2012@oic.it

For registration and hotel accommodation: registrationvalve2012@oic.it

For sponsorship: sponsorvalve2012@oic.it

VALVE SUMMIT

28TH – 30TH APRIL, 2012

REGISTRATION FEE

Registration fee is € 1.000,00 (VAT 21% included) and includes also: Admission to Scientific Sessions, Congress Kit, Echo and Simulation Course, Working Lunches, Coffee Points, Welcome Dinner April 28th, 2012, Social Dinner April 29th, 2012, Live Cases Book, Certificate of Attendance.

An updated version of manual **“Percutaneous Treatment of Left Side Cardiac Valves”** edited by Springer

CANCELLATION AND REFUND POLICY

We kindly remind you that cancellation of the registration and hotel reservation were accepted only until 14th April 2012. No refund are allowed for cancellations received after 14th April. Booking fees will not refunded. Refunds will be processed after the Congress.

BADGE

Each participant will receive a name badge upon check-in at the registration desk. The badge will be the official meeting document and should be worn at all times in order to gain entry into the meeting rooms.

Badges are colour coded as follows:

Transparent (no coloured band)
Red

Participant
Faculty

COFFEE BREAKS AND LUNCHES

Coffee breaks and lunches will be offered to all regularly registered participants.

SOCIAL DINNER

Social dinner will be held in Catania at Monastero dei Benedettini di San Nicolò l’Arena, on Sunday 29th April 2012 at 20:30. Participation in the dinner is included in the Congress Registration fee. Entry to Valve Summit dinner will be not permitted without the ticket that can be obtained at the Secretariat Desk during the Congress.
